

## SOUTHERN HIGHLANDS FOUNDATION

### NEW DIRECTOR NOMINATIONS/EOI

The Southern Highlands Foundation (SHF) in its 20th anniversary year is expanding its board from 8 to 12 Directors. Nominations are open for the month of February/March 2022

The SHF mission is to connect and strengthen the Southern Highlands Community. The SHF raises and distributes funds, undertakes projects and research to help support ongoing community needs. Follow this link to review our website [SHF Foundation](http://shf.org.au)

The [current board](#) is looking to add additional diversity to better reflect more aspects of the community they serve. Ideally SHF would love to attract 2 directors under 30 years of age and 2 additional directors who would further supplement the skills and community links of the current board.

Nominations can be emailed to the chair [Shelley Boyce OAM](#) and should detail a short profile of the applicant and how the nominee could help SHF better meet its mission. The board meets monthly on a Tuesday evening.
